Wildlife Photography Tours

Loon Tours 2021

with Stan Tekiela

During June and July, author, naturalist and wildlife photographer Stan Tekiela is proud to offer a world-class loon photography tour.

His experience as an avian biologist will help ensure a successful photo tour, allowing you to capture amazing images of these fascinating birds. Stan has authored two books on loons and has been photographing loons on these lakes for nearly 30 years.

Limited dates are available.

- Individuals and groups up to 5
- Contact for lodging information
- Comfortable custom boat
- Best of Minnesota's lakes
- Loons with babes (limited dates)
- Morning and evening photo sessions available
- ½ day loon photo tour is \$350, full day \$550
- No refunds

Suggested camera equipment and outfit

- 300 mm lens or larger
- Wide angle lens
- Bean bag
- Dress in layers even if it looks like it will be a warm day. Bring sunscreen, hat, bug spray, sunglasses.
